Subject:	putting you in touch

Mr. Prime Minister, sir, this is to introduce Katie O'Connell, who is one of the planners for the Gala. She asked me to put her in touch with the person in charge of your security, for logistics. I explained I'd dealt only with you, and hence have no choice but to put you in the line of fire. Me I'll get out of the way…

Bests,
Karl

I've been dealing with Barak directly. Do you want me to introduce you by email?

Hi Karl,

I am handling security needs for the TIME 100 Gala. Can you please connect me with your contact for Barak? I would like to also connect him with the head of security at Jazz at Lincoln Center.

Thanks,

Katie

Barak advises on security:

b) I have a small security detail usually one US(NYPD or Secret Service) and one IL will enter but they know how to coordinate it. They usually don't take seats and do not disturb.
